# Panel of Institutes for Outsourcing of Monitoring and Evaluation Studies

**Development Monitoring and Evaluation Office,  
NITI Aayog, Government of India**  
(NITI Bhawan, Sansad Marg, New Delhi-110001)

## PREFACE

The Development Monitoring and Evaluation Office (DMEO), NITI Aayog has a mandate to monitor and evaluate the Government of India funded programmes which includes Central Schemes as well as Centrally Sponsored Schemes. The functions of programme monitoring and impact evaluation are normally carried out in-house in DMEO by engaging its regular staff. However, when there are too many assignments which could not be completed in-house, DMEO engages outside agencies that are reputed and experienced in programme monitoring and evaluation, on outsourcing basis.

2. However, the process of awarding a monitoring or evaluation assignment to an outside agency after following the prescribed competitive bidding process in accordance to GFRs is a time consuming process which significantly affects the study timeline. This panel has been prepared on the basis of Expressions of Interest (EoIs) invited from the willing agencies that have good experience and skilled manpower to carry out monitoring and evaluation assignments on outsourcing basis. The advertisement for EoIs was published in newspapers and also uploaded to the NITI Aayog website. The shortlisting of agencies was done by a Committee constituted in DMEO which followed the evaluation criteria published in the advertisement. Now whenever an assignment is to be outsourced, DMEO could pick up few agencies from the panel that have the needed skill and experience in that sector/sub-sector and call for Request for Proposals in terms of GFRs. Thus, DMEO does not have to follow the process of EoI every time it wants to outsource a study which saves valuable time taken in the selection process.

3. This panel has six sectors i.e. Agriculture and Allied Sector, Economic Sector, Energy Sector, Infrastructure Sector, Social Sector and Social Welfare Sector and they are further divided into Sub-Sectors. The agencies are to be selected from the sub-sector which relates to the programme proposed to be evaluated. In case, the number of agencies in that particular sub-sector is less than the number required to ensure fair competition among agencies/bidders, the agencies from other similar sub-sectors but within that Sector, could be selected. The agency shortlisting is to be carried out by the Evaluation Monitoring Committee which is constituted for the study by the CEO or VC of NITI Aayog.

4. Wherever, the number of selected agencies is less than the number of agencies in that sub-sector(s), the reasons for shortlisting of those agencies are to be recorded by the Evaluation Monitoring Committee to ensure transparency in the process.

**PANEL OF INSTITUTES FOR OUTSOURCING OF MONITORING AND EVALUATION STUDIES**
