Government of India
NITI Aayog

The National Institution for Transforming India is the premier policy Think Tank of India which is engaged in a number of transformational initiatives as a catalyst and an accelerator of change across sectors in partnership with Central Ministries and the State Governments. The three broad working areas of NITI Aayog are given below-

- IV. **Policy & Knowledge** – NITI Aayog is engaged in policy intervention across the sectors while designing strategic and long term policies and programmes for the Government of India. Further, it provides both directional and policy inputs as well as relevant technical advice to the Centre and States.
- V. **Innovation-** Promoting a culture of innovation and entrepreneurship by serving as a platform for promotion of world-class Innovation Hubs, Grand Challenges, Start-up businesses and other self-employment activities, particularly in rigorous technology and innovation driven area.
- VI. **Monitoring and Evaluation** –Design, experiment, quasi-experiment, rigorous econometric modelling techniques and big data analytics to provide insight and feedback to drive evidence based policy and programme design.

NITI Aayog is looking for young, talented, innovative and dynamic Professionals who desire to be a part of the team that is scripting the exciting transformation story which is unfolding in India today. Details of the same are given below
